*Please check with your students teacher to see if headphones are needed

Welcome Back

July 13, 2023

Dear Parents/Guardians,

It is with pleasure that we welcome back the students and families of Spectrum Learning Center for the 2023-2024 school year. Our staff is committed to ensuring an outstanding learning experience for all our students as we support the development and growth of our scholars. We hope your family had a fun filled summer and thank you to everyone who attended our summer camp, we hope it was a great experience.

Our first day of school is Monday, August 14th. Students will receive their teacher and classroom assignments on August 7th before school starts. You will also receive your August newsletter to let you know about all the fun things we have planned for the start of school and any important information you need to know.

I have attached the school calendar and school supply list for the school year. Students do not need to bring headphones if they have a pair at school. Please check with me if you are unsure if your student's headphones are still working.

Our 10 month tuition rate for the 2023/2024 school year is 19,500, or \$1950 monthly. August tuition will be due by the 5th day of the month and can be paid online on our website, through Zelle, or a check can be dropped off at school.

Evaluations will be done at the beginning of the school year and parent meetings will be scheduled at the end of August to discuss new goals, teacher expectations, and new academic programs. Our first official parent/teacher conference is also scheduled for October.

On behalf of the staff, I look forward to working with you to provide each student an outstanding learning experience. It is an honor to serve the SLC community.

Sincerely,

Spectrum Learning Center Staff
